

GUEST REQUIREMENTS FOR ALL GROOMING, BOARDING, AND DAY CARE GUESTS

Your pet's health and safety are the most important aspects of our job here at Crazy Bone Pet Spa. It is because of that, we require all pets receiving services at our facility to be completely current on all applicable vaccinations. We are proud to offer the convenience of grooming, daycare, and boarding under one roof. That also means that all of our guests share the same space. Just like with people, some pet illnesses are passed around through the air and common surfaces, making it easy to spread and difficult to prevent. We do everything in our power to provide a clean and safe environment for your pet, but it is necessary for them to be vaccinated in order to maximize their protection and the safety of others. *We reserve the right to refuse services to guests who cannot show proof of current vaccinations.*

Because our GROOMING & BOARDING services have limited space, they are by appointment ONLY. That means that your appointment time/space is reserved just for you. If you need to cancel or reschedule, we ask that you give us at least 24 hours notice for grooming and 72 hours for boarding, otherwise *you will be charged a non-refundable \$25 no-show fee for grooming and a non-refundable fee for boarding equal to one night's stay.* (Exceptions will be made for emergencies at our discretion.)

SHOT REQUIREMENTS: DHLPP (annual), Rabies and Bordetella.

Fax records to 681-229-3000 or email to crazybonepetspa@gmail.com.

I have read and understand these requirements and agree to abide by these terms.
